

# PSI's Pharmaceutical Statistics Journal Club

presents

## Modelling and Simulation

26<sup>th</sup> April 2018  
2:00-3:30pm BST

Promoting Statistical Insight

<https://register.gotowebinar.com/register/7612071121697734659>

**CHAIR: Vladimir Anisimov (Amgen)**

**SPEAKER: Michael O'Kelly (IQVIA)**

**Proposed best practice for projects that involve modelling and simulation**

Authors: Michael O'Kelly, Vladimir Anisimov, Chris Campbell and Sinéad Hamilton  
Pharmaceutical Statistics, Vol 16, Issue 2, March/April 2017

**SPEAKER: Carl-Fredrik Burman (Astrazeneca)**

**Modelling and simulation in the pharmaceutical industry—some reflections**

Authors: Carl-Fredrik Burman, Stig Johan Wiklund  
Pharmaceutical Statistics, Vol 10, Issue 6, November/December 2011

For each of these published papers there will be a 20 min presentation by the author followed by 20-25 min discussion.

**In preparation and prior to the day of the webinar, please follow the link above to obtain your personal dial in details and register with the webinar software. After registering via this link, you will receive a confirmation email containing information about joining the webinar, including details on how to dial-in via the telephone.** Please allow enough time before joining to download the correct software.

Papers available to view prior to the meeting on <http://www.psiweb.org/events/journal-club> and presentation slides will be available there to download up to a week before the JC. Journal subscribers can access papers at any time. Audio recordings will be available shortly after the JC to download from the PSI website. The meetings are open to PSI and non-PSI members.

We encourage you to read these papers in advance so you get the most from this event. For further info/feedback, or to submit a question to the authors in advance of the meeting please contact [journalclub@psiweb.org](mailto:journalclub@psiweb.org)
