PSI 2021 Sponsorship Opportunities

PSI 2021
Online Conference

21-23 June 2021

What will the 2021 PSI Online Conference be like?

- The 2021 PSI Online Conference will combine on-demand and live learning in a platform built for digital interaction and engagement
- The platform will allow delegates the opportunity to access, follow and contribute to exclusive content, as well grow their professional network by connecting with industry experts and fellow professionals, creating a valuable, tailored experience
- Content will be kept online and accessible within the platform for 6 months following the conference
- Since the conference is entirely online and cost of delegate registration lower compared to a face to face conference with no associated travel costs, we expect the number of delegates attending will be much higher with a wider geographical spread than at previous face to face conferences

PSI 2021
Online Conference
21-23 June 2021

Why should you exhibit or sponsor the conference?

- Unique opportunity to network with a large number of statisticians in the pharmaceutical industry from around the world
- Participation at the online conference will give you the opportunity to promote your brand and services to other delegates attending
- Key platform features include
 - Virtual exhibition space
 - Opportunity to interact and schedule meetings with delegates
 - GDPR compliant access to data on individuals and interactions
 - Opportunity to sponsor sessions, organise a sponsor led symposium, and host live Q&A sessions [additional details to follow]
